

## Summary of filming access rights for accredited non-rights holders

Filming by accredited non-rights holders (whether broadcasters or news entities) can only be undertaken on a non-live basis and is subject to news access rules. Accredited non-rights holding broadcasters may film in designated areas of Games venues. These are:

1. Competition venues:
  - I-Zone
  - Designated section of the press mixed zone
2. Villages
  - I-Zone
  - International Zone
3. Games Media Hub (GMH):
  - GMH I-Zone
  - Media conference room

For the avoidance of doubt, non-rights holders may not film:

- Any competition, warm up or training on the field of play
- At any part of the opening or closing ceremony
- Medal ceremonies
- Within the seating bowl and anywhere with a view of the field of play
- In the broadcast mixed zone
- At any athlete training session in an official training or competition venue
- Within the residential area of the athletes' villages, unless part of the official village media tour

Please note that any Games Material used under the News Access Rules must be geo blocked from Australia and New Zealand.
