### Track:

Eight athletes will progress to finals in events up to and including the 800m (eight teams in the case of the 4x100m and 4x400m relays). Twelve athletes will progress to finals in the 1500m.

In heats, and to avoid the need for additional rounds, up to nine athletes may be drawn in 'straight' sprints and the 800m events. Lanes two-nine will be used for all straight sprint events when there are fewer than nine athletes.

Hurdles must be a standard 1.067m high for men's 110m hurdles, 0.84m high for women's 100m hurdles, 0.914m high for men's 400m hurdles and 0.762 high for women's 400m hurdles.

For the 3000m steeplechase there are five hurdles – they are a standard 0.914m high for men and 0.762 for women. The fourth hurdle is the water jump.

The take-over zone for relays is 30m in length.

### Disqualification rules:

In track events, the most common reasons are:

- False start
- Lane infringement (200m, 400m, 800m, relays)
- Hurdle fault (missing hurdle, trailing leg, jumping hurdle in another lane, deliberately knocking/topping hurdle)
- Passing baton outside take-over zone (4x100m relay, 4x400m relay)
- For events without starting blocks, jostling and obstruction

### Field:

Twelve athletes will normally compete in the final of all field events. In horizontal jumps and throws, the competing order for the fourth, fifth and final rounds of trials shall be in the reverse ranking order recorded after the first three rounds of trials.

There are two phases of competition – qualification round and finals. Only those athletes achieving the required standard will progress to the final. If, however, the number of the athletes who qualify is fewer than 12, the next highest ranked athlete(s) from this event, up to a total of at least 12, will be included in the final. If more than 12 athletes meet the required standard in the qualifying round, all will be advanced to the final.

### Combined events:

Events are held over two consecutive days and the winners are determined by the combined performance in all.

Performance is judged on a points system in each event, not by the position achieved.

### Men's decathlon:

First day: 100m, long jump, shot put, high jump, 400m  
Second day: 110m hurdles, discus, pole vault, javelin, 1500m

### Women's heptathlon:

First day: 100m hurdles, high jump, shot put, 200m  
Second day: long jump, javelin, 800m

The marathon will both start and finish at the Southport Broadwater Parklands.

Officials will line up the athletes selected to start in the first row, after which all other athletes may line up without any pre-set order.

The shortest possible route of the marathon will be indicated on the road surface with a broken blue line.

An athlete support vehicle will follow the race to pick up any athletes who are unable to complete the race or have been disqualified. These athletes will be shuttled back to the Southport Broadwater Parklands, or elsewhere, as determined by GC2018 medical team.

### Classification

Para-sport events at the Games will be open to specified sport classes only. Athletes must comply with the classification rules in order to qualify, enter and compete in these events:

Classification	Description
<b>T11, 12 – vision impaired</b>	T11 – Athletes with significant vision impairment, as indicated by low visual acuity and/or no light perception. All athletes in this category run with a guide runner. T12 – Athletes with higher visual acuity than T11 athletes. Athletes may choose to run with a guide runner. However, it is uncommon.

<p><b>T35, 37, 38 F37/38 Athletes with cerebral palsy or traumatic brain injury (TBI)</b></p>	<p>T35 – Athletes with balance and coordination difficulties (athetosis and ataxia*), in the legs more so than the arms. Therefore, running gait is affected and stride length shortened.</p> <p>T/F37 – Athletes with central nervous system dysfunction (ataxia, athetosis, hypertonia*) that affects one side of the body. Arm and leg action is asymmetrical and athletes typically present with a limp. However, they demonstrate good functional ability in running and have sufficient function in throwing ability from a standing position without support or aids.</p> <p>T/F38 – Athletes with minimal coordination impairment. Balance may also be mildly affected. Overall, these athletes are able to run, jump freely and have sufficient function in throwing ability.</p> <p>*Athetosis – Repetitive involuntary movements caused by fluctuating muscle tone arising from central nervous system dysfunction. Typical of conditions such as cerebral palsy.</p> <p>*Ataxia – Lack of muscle coordination due to problems with parts of the central nervous system that control movement and balance. Typical of conditions such as cerebral palsy and TBI.</p> <p>*Hypertonia – Abnormal increase in muscle tension, with a reduced ability to stretch the muscles, joint stiffness, slowness of movement, poor postural adaptation and balance. Conditions such as cerebral palsy, TBI, and stroke may present with hypertonia.</p>
<p><b>T45-47 F45/F46 Athletes with limb loss or deficiency in the arms</b></p>	<p>T/F45 – Athletes with a double above-elbow amputation or an equivalent impairment.</p> <p>T/F46 – Athletes with a single above-elbow limb deficiency/amputation or an equivalent muscle or joint impairment. Athletes with double limb deficiencies may also compete in this category.</p> <p>T47 – Athletes with a single limb deficiency/amputation below the elbow joint or an equivalent muscle or joint restriction compete in this category. These athletes may only compete in the 100m – 400m track events and jumping events.</p>
<p><b>T53-54</b></p>	<p>T53 – Athletes with full arm muscle strength, but little to no trunk or leg power. They use a wheel chair in competition and may compress their knees toward the chest to compensate for the lack of trunk power.</p> <p>T54 – Athletes with full arm power, some trunk strength, and possibly significant leg power. They use a wheelchair in competition and can control the direction of the wheelchair by sitting up and using their trunk to steer.</p>

#### Award of medals:

Medals will be awarded to the first, second and third place finishers in the final of each individual and relay events.

Note: Any athlete who competes in the first round, but not the final of a relay event, is entitled to a medal, but only four athletes will be presented on the podium.

In events with fewer than five competitors, rule SPT38 of the CGF Sport Manual will be invoked which dictates that, for both individual and team events, medals will be awarded according to the following scale:

- Events with four contestants – only gold and silver will be awarded
- Events with three or two contestants – only gold will be awarded
