A member of the Federation's Executive Board may not act as a nominated representative of an Unincorporated Affiliated CGA in the General Assembly.

### ***Corporate Affiliated CGAs***

- 26.3 An organisation admitted to membership which is an incorporated body ("a Corporate Affiliated CGA") shall by resolution of its directors or other governing body authorise a person to act as its authorised representative at any meeting of the Federation. A person is present at a General Assembly meeting if that person is either physically present or present by means of an electronic communications platform and is able to exercise the right to speak, hear and be heard and the right to vote (in each case by any method, virtual or otherwise) during the meeting.

29.1 If it appears to the President that an electronic communications platform has become inadequate for the purposes referred to in this Article then the President may, without having to seek the consent of the meeting given that this may not be practicable in the circumstances, exercise their right to manage the meeting to pause, interrupt or adjourn the General Assembly meeting. All business conducted at that General Assembly meeting up to the time of that adjournment shall be valid. adjourned meeting a quorum is not present within half an hour from the time appointed for the meeting those present and entitled to vote shall be a quorum.

### **34 Adjournment**

- 34.1 The chair of the meeting may adjourn a General Assembly meeting at which a quorum is present if:
  - 34.1.1 a majority of those present in person (by any method, virtual or otherwise) consent to an adjournment; or
  - 34.1.2 it appears to the chair of the meeting that an adjournment is necessary to protect the safety of any person attending the meeting or to ensure that the business of the meeting is conducted in an orderly manner.
- 34.2 The chair of the meeting must adjourn a General Assembly meeting if directed to do so by the

meeting.

34.3 When adjourning a General Assembly meeting, the chair of the meeting must:

34.5 No business may be transacted at an adjourned General Assembly meeting which could not properly have been transacted at the meeting if the adjournment had not taken place.

#### **VOTING AT GENERAL ASSEMBLY MEETINGS**

#### **35 Voting: general**

35.1 Each Affiliated CGA shall have one vote, unless it has been suspended from voting in accordance with the CGF Documents.

35.2 For the avoidance of doubt, any vote on a show of hands or on a poll shall include votes cast using electronic means or via an electronic communications platform provided always that this is specified in the notice of the General Assembly meeting.

35.3 A Resolution put to the vote of a General Assembly meeting must be decided on a show of hands unless a poll is duly demanded in accordance with the Articles.

36.4 On a vote on a Resolution at a meeting on a show of hands, unless a poll is duly demanded, a declaration by the chair of the meeting that the Resolution:

36.4.1 has or has not been passed; or

36.4.2 has been passed with a particular majority;

is conclusive evidence of that fact without proof of the number or proportion of the votes recorded in favour of or against the Resolution. An entry in respect of such a declaration in minutes of the meeting recorded in accordance with Article 47 is also conclusive evidence of that fact without such proof.

#### **36 Votes**

##### ***Votes on a show of hands***

- 36.1 On a vote on a Resolution which is carried out by a show of hands, the following persons have one vote each:
- 36.1.1 the nominated representative of each Unincorporated Affiliated CGA present in person (by any method, virtual or otherwise) at the meeting;

provided that if a person attending the meeting in person (by any method, virtual or otherwise) falls within two or more of the above categories, they are not entitled to cast more than one vote but shall instead have a maximum of one vote.

***Votes on a poll***

- 36.2 On a vote on a Resolution which is carried out by a poll, the following persons have one vote each:
- 36.2.1 every nominated representative of an Unincorporated Affiliated CGA present in person (by any method, virtual or otherwise);
  - 36.2.2 every authorised representative of a Corporate Affiliated CGA (subject to Article 37.3) present in person (by any method, virtual or otherwise); and
  - 36.2.3 every Affiliated CGA present by proxy (by any method, virtual or otherwise) (subject to Article 41.2).
- 36.3 On a vote on a Resolution at a meeting, if more than one authorised representative of a Corporate Affiliated CGA purports to vote on behalf of the same Corporate Affiliated CGA:
- 36.3.1 if they purport to vote in the same way, they will be treated as having cast one vote between them; and
  - 36.3.2 if they purport to vote in different ways they will be treated as not having voted.

***General***

- 36.4 In the case of an equality of votes, whether on a show of hands or on a poll, the chair of the meeting shall not be entitled to a casting vote in addition to any other vote they may have.

**37 Errors and disputes**

- 37.1 No objection may be raised to the qualification of any person voting at a General Assembly meeting except at the meeting or adjourned meeting at which the vote objected to is tendered, and every vote not disallowed at the meeting is valid.
- 37.2 Any such objection must be referred to the chair of the meeting whose decision is final.

### **38 Poll votes**

38.1 A poll on an Ordinary or Special Resolution may be demanded:

38.1.1 in advance of the General Assembly meeting where it is to be put to the vote; or

38.1.2 at a General Assembly meeting, either before a show of hands on that Resolution or immediately after the result of a show of hands on that Resolution is declared.

38.2 A poll may be demanded by:

38.2.1 the chair of the meeting;

38.2.2 the Executive Board;

38.2.3 more than five persons present and having the right to vote on the Resolution;

38.2.4 a person or persons representing not less than one tenth of the total voting rights of all the Affiliated CGAs having the right to vote on the Resolution.

38.3 A demand for a poll may be withdrawn by the requesting party or parties if:

38.3.2 the poll has not yet been taken; and

38.3.3 the chair of the meeting consents to the withdrawal.

### **39. Procedure on a poll**

39.1 Subject to the Articles, polls at General Assembly meetings must be taken when, where and in such manner as the chair of the meeting directs.

#### ***Results***

39.2 The chair of the meeting shall appoint a scrutineer for any poll (who need not be a person entitled to vote at the meeting) and decide how and when the result of the poll is to be declared.

39.3 The result of a poll shall be the decision of the meeting in respect of the Resolution on which the poll was demanded.

#### ***Timing***

39.4 A poll on:

39.4.1 the election of the chair of the meeting; or

39.4.2 a question of adjournment; must be taken immediately.

39.5 Other polls must be taken within 30 days of their being demanded.

39.6 If a poll is demanded the meeting may continue to deal with any other business which may be conducted at the meeting.

### ***Notice***

- 39.7 No notice need be given of a poll not taken immediately if the time and place at which it is to be taken are announced at the meeting at which it is demanded.
- 39.8 In any other case, at least 7 days' notice must be given specifying the time and place at which the poll is to be taken.

## **40. Proxies**

### ***Power to appoint***

- 40.1 An Affiliated CGA is entitled to appoint another person as their proxy to exercise all or any of their rights to attend and speak and vote (by any method, virtual or otherwise) at a meeting of the Federation. A proxy must vote in accordance with any instructions given by the Affiliated CGA by whom the proxy is appointed.

### ***Manner of appointment***

- 40.2 Proxies may only be validly appointed by a notice in Writing (a "Proxy Notice") which:

40.2.1 states the name and address of the Affiliated CGA appointing the proxy;

40.2.2 identifies the person appointed to be that Affiliated CGA's proxy and the General Assembly meeting in relation to which that person is appointed;

40.2.3 is signed by or on behalf of the Affiliated CGA appointing the proxy, or is authenticated in such manner as the Executive Board may determine; and

40.2.4 is delivered to the Federation in accordance with the Articles and any instructions contained in the notice of General Assembly meeting to which they relate.

- 40.3 A proxy for a nominated representative for an Unincorporated Affiliated CGA may be appointed by the nominated representative or the Unincorporated Affiliated CGA which they represent.

- 40.4 The Federation may require Proxy Notices to be delivered in a particular form, and may specify different forms for different purposes.

- 40.5 Proxy Notices may specify how the proxy appointed under them is to vote (or that the proxy is to abstain from voting) on one or more Resolutions.

- 40.6 Unless a Proxy Notice indicates otherwise, it must be treated as:

40.6.1 allowing the person appointed under it as a proxy discretion as to how to vote on any ancillary or procedural Resolutions put to the meeting; and

40.6.2 appointing that person as a proxy in relation to any adjournment of the General

Assembly meeting to which it relates as well as the meeting itself.

**41. Delivery of Proxy Notices**

41.1 The Proxy Notification Address in relation to any General Assembly meeting is:

41.1.1 the registered office of the Federation; or

41.1.2 the electronic Address given by the Federation; or

41.1.3 any other Address or Addresses specified by the Federation as an Address at which the Federation or its agents will receive Proxy Notices relating to that meeting, or any adjournment of it, delivered in Hard Copy Form or Electronic Form.

***Attendance of an Affiliated CGA***

41.2 An authorised representative of a Corporate Affiliated CGA or a nominated representative of an Unincorporated Affiliated CGA who is entitled to attend, speak or vote (by any method, virtual or otherwise either on a show of hands or on a poll) at a General Assembly meeting remains so entitled in respect of that meeting or any adjournment of it, even though a valid Proxy Notice has been delivered to the Federation by or on behalf of that person (or the Affiliated CGA which they represent). If the person casts a vote in such circumstances, any vote cast by the proxy appointed under the Proxy Notice is not valid.

***Timing***

41.3 Subject to Article 42.4 and 42.5 a Proxy Notice must be received at a Proxy Notification Address not less than 48 hours before the General Assembly meeting or adjourned meeting to which it relates.

41.4 In the case of a poll taken more than 48 hours after it is demanded, the Proxy Notice must be received at the Proxy Notification Address not less than 24 hours before the time appointed for the taking of the poll.

41.5 In the case of a poll not taken during the meeting but taken not more than 48 hours after it was demanded, the Proxy Notice must be:

41.5.1 received in accordance with Article 42.3; or

41.5.2 given to the chair or Company Secretary (if any) at the meeting at which the poll was demanded.

### ***Revocation***

- 41.7 An appointment under a Proxy Notice may be revoked by delivering a notice in Writing given by or on behalf of the person by whom or on whose behalf the Proxy Notice was given to a Proxy Notification Address.
- 41.8 A notice revoking the appointment of a proxy only takes effect if it is received before:
  - 41.8.1 the start of the meeting or adjourned meeting to which it relates; or
  - 41.8.2 (in the case of a poll not taken on the same day as the meeting or adjourned meeting) the time appointed for taking the poll to which it relates.

  - 42.1.2 in the case of any other amendment, the proposal must be given to the Federation in Writing by a person entitled to vote at the General Assembly and must be received not less than 48 hours (excluding Saturdays, Sundays and Public Holidays) before the General Assembly meeting is to take place (or such later time as the chair of the meeting decides). Any such amendment may be rejected by the chair of the meeting if in their reasonable opinion it materially alters the scope of the Ordinary Resolution.

### ***Amendments to Special Resolutions***

- 42.2 A Special Resolution to be proposed at a General Assembly meeting may be amended by Ordinary Resolution, if:
  - 42.2.1 the chair of the meeting proposes the amendment at the General Assembly meeting at which the Special Resolution is to be proposed; and
  - 42.2.2 the amendment does not go beyond what is necessary to correct a grammatical or other non-substantive error in the Special Resolution.

- 42.3 If the chair of the meeting, acting in good faith, wrongly decides that an amendment to a Resolution is out of order, the chair's error does not invalidate the vote on that Resolution.

## **WRITTEN RESOLUTIONS**

### **43. Written Resolutions**

Affiliated CGAs may pass written Resolutions in accordance with the Companies Acts.

## **ADMINISTRATIVE ARRANGEMENTS AND MISCELLANEOUS**

### **44. Communications by the Federation**

- 44.5 Where any Document or information is sent or supplied by the Federation to the Affiliated CGAs:

44.7.2 in all other cases, the Federation shall send a Hard Copy of the Document or information to the Affiliated CGA's postal address as shown in the Federation's register of company law members (if any), or in the case of a recipient who is not an Affiliated CGA, to the last known postal address for that person (if any); and

**Note:** *It is intended that genuine and powerful reasons are to be interpreted as those that are truly exceptional. It is acknowledged that the assessment of 'genuine and powerful' will depend on the specific circumstances of a case (balanced alongside the seriousness of the alleged breach), but it is envisaged that it will include only cases where there is genuine, objective reason to consider that the Covered Person's and/or another person's health or well-being was otherwise at risk.*

- 8.2 Under no circumstances will it be a valid defence to a charge of breach of this Code for a Covered Person to claim that he made a mistake as to the provisions of this Code or claim ignorance of such provisions.
