ELEVEN DAYS. ONE CITY. ZERO CHILL.

This is your front-row seat to the world's best going head-to-head, right here in one of the friendliest cities in the world. Everything is packed into a compact eight-mile corridor, so you're close enough to hear the splash, feel the roar and lose your voice.

This guide is designed to give you all the information you need to enjoy every moment of these game-changing Games. There will be celebrations spilling out of the venues and onto the streets; this is a festival of sport, brought to life through a proper Glasgow welcome, all rolled into one unforgettable summer.

So bring your scarf, your flag, your mates and your loudest cheer. We can't wait to see you!

THESE GAMES ARE OURS.

Altogether brilliant. Come and be part of it.

ABOUT THE VENUE

The EDF Scotstoun Stadium is part of the Scotstoun Sports Campus, located in the West End of Glasgow. Glasgow Warriors have trained at the stadium since 2009 and have played their home matches there in front of packed crowds since 2012.

The Campus has also hosted previous major events including the Squash and Table Tennis competitions during the Glasgow 2014 Commonwealth Games and Synchronised Swimming during the Glasgow 2018 European Championships.

The venue boasts a 400m outdoor track, which has recently been relaid with a world-class MONDO track by Glasgow 2026 Official Provider DYNAMIK. Scotstoun also has a 100m indoor sprint track inside the main stand.

Address: [112 Danes Drive, Glasgow, G14 9HD](https://www.scotstoun.co.uk/)

ATHLETICS AND PARA ATHLETICS

Athletics and Para Athletics are the heartbeat of the Commonwealth Games, featuring the largest number of athletes and medal events. Competitors take part across sprints, distance races, jumps, throws and combined disciplines.

To ensure the competitions are conducted according to World Athletics standards, there are 180 National and International Technical Officials.

In Glasgow we are reinstating the Commonwealth Mile race instead of the 1500 metres. Para Athletics events are fully integrated, showcasing incredible performances alongside able-bodied competitors.

Scotland's all-time Track and Field (Athletics) medal tally since the first Empire Games in 1930 stands at 82 medals: 20 gold, 25 silver and 27 bronze.

This ranking places Scotland ninth overall in Athletics across all Commonwealth Games editions, including the Empire Games and subsequent Commonwealth Games.

A GREENER GAMES

We're aiming to deliver a Games that's light on the planet, with low-carbon travel, circular economy thinking and less waste.

Here's how you can help us to deliver a Greener Games:

TRAVEL GREEN

Exchange traffic and congestion for trains, buses, bikes or your own two feet. Low-carbon travel helps to keep Glasgow moving and breathing easier. Plus, you'll discover the Commonwealth Mile and activations happening between venues along the way.

LOVE LOCAL

Fuel your fandom with Scottish produce and delicious plant-based options. Good for you, great for local businesses, even better for the planet.

A GREENER GAMES CONT.

RECYCLE RIGHT

When the cheering stops, make sure your rubbish lands in the right place. A little bin discipline goes a long way.

BRING A REFILLABLE WATER BOTTLE

There are free top-up taps at every venue. Hydrated fans are happy fans.

BE A GREEN SPECTATOR

Cheer loudly, tread lightly. Respect venues, use reusable items where you can and leave every space as you found it.
